CHAMPIONS TREK

Create obstacle-course thrills by combining a series of custom climbing challenges designed to promote physical development through friendly competition. Designed for children ages 5-12, Champions Trek puts kids through the paces, providing an active, full-body workout that helps improve strength, agility, coordination, and mobility while pushing the limits of fun. Use products from our Champions Trek product line along with a variety of our other freestanding products to create a fun challenge no matter your space or budget!

BREAKAWAYS

(4 pack) Product Number: 454-5

(2 pack add-on) Product Number: 454-5x

Kids can develop strength, coordination, balance, and agility as they leap back and forth between these low angled platforms, based on an iconic obstacle course event. They can also cling to the platforms or enjoy social play by making it a fun hangout spot.

CHAOS CLIMBER

Product Number: 454-3

This challenging climber gives kids a variety of play paths to push the limits of their upper-body strength, coordination, agility, and stamina. They can test their balance on the horizontal ropes, swing hand-over-hand on the upper body climber, or hang out together on the suspended foot cleats.

TAPERED TOWER

Product Number: 454-4

This competitive climber builds upper-body strength while providing a variety of thrilling play paths in a race to be first to the top. It's also the perfect finishing event that gives kids a real sense of accomplishment when they ring the bell to complete the course. It can be a standalone event or linked for easy transfer to various deck heights (3' to 6'-6").

Whether kids are enjoying solitary climbs or racing friends to the top, they'll test their limits while increasing their strength!

SPRAWL WALL

Product Number: 454-6

This unique climber delivers a full-body workout with a challenging twist on an iconic obstacle course event. It features a variety of play paths with climbing features on both sides of the wall. Kids can conquer the gap by wedging their arms and legs between the angled walls, or climb and hang out on the rails and handholds on the outer walls with their friends.

CROSSWAY CLIMBERS

Large Product Number: 454-1

Small Product Number: 454-2

These versatile climbers provide multiple play opportunities, engaging children on the physical, social, and imaginative levels with elevated climbs that deliver a sense of both risk and accomplishment. Large and small Crossway Climbers can be clustered together to create unique climbing environments or functionally link to decks of varying heights, ground-level play components, play structures, and existing Miracle® components (including Kids' Choice®, Tots' Choice®, and Physics®) for a variety of play paths and challenge levels.

Inspired by the sport of bouldering, Crossway Climber provides the thrills of rock climbing in the controlled safety of a playground setting.
